Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)
Increasing hours from 2 to 3.

What is the rationale for the proposed change(s)?
As the faculty revised the curriculum for the new Ph.D. in kinesiology, they recognized that 2 cr hrs was inadequate to cover the material they wished to cover. A new course description has been added.

What are the programmatic implications of the proposed change(s)?
(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?
None. This is a new, core course for the new Kinesiology doctoral program.

Is approval of the request contingent upon the approval of other course or curricular program request? No
