**Course Change Information**

What change is being proposed? (If more than one, what changes are being proposed?)

We are requesting that EPL 259/1259 be offered as a 3-credit course (rather than a 4-credit course). That is, we are proposing that EPL 1259 be the semester equivalent of EPL 259 (rather than a modified or re-envisioned course that includes substantial parts of the content and learning goals of one or more quarter courses). We will no longer be adding content related to Building Relationships and Preparing for Your Future.

What is the rationale for the proposed change(s)?

1. Generally, GTAs in EHE are being assigned a teaching load of 6 credit hours per semester; we are adjusting the number of credit hours to be more consistent with the other courses in the college.  
2. We wish to maintain the course's focus on learning and motivation strategies; the additional content of the four-credit course—Building Relationships and Preparing for Your Future—would go beyond the central learning objectives of the course.  
3. Because of limited space in the Walter E. Dennis Learning Center (which sponsors the course), we will be unable to accommodate sufficient sections under the four-day per week primary meeting pattern for four-credit course. We also believe that students' schedules will be better able to accommodate the course if it is worth three credits and meets twice a week, the primary meeting pattern for three-credit courses.

What are the programmatic implications of the proposed change(s)?

(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?

The course is an elective; as such, we anticipate minimal programmatic implications. The primary impact is in terms of available resources; with the three-credit course, we will be able to accommodate additional sections of the course, as needed.

Is approval of the request contingent upon the approval of other course or curricular program request? No

Comments

- The "Quarters to Semesters" section of this form should be changed to "Semester equivalent of a quarter course (e.g., a 5 credit hour course under quarters which becomes a 3 credit hour course under semesters)." We are no longer adding new units/content. (by Hensley, Lauren Cone on 12/28/2011 12:07 PM)
