Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)
Course credit changed from 1 to 2.

What is the rationale for the proposed change(s)?
This was a 3-credit course under quarters. The amount of content and necessary contact time cannot be met under the guidelines of a 1-credit semester course.

What are the programmatic implications of the proposed change(s)?
(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?
The full intended content of the will be taught. No impact on facility needs or other programs.

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No
