Term Information

Effective Term

Summer 2012

Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)

Add Mansfield as a campus of offering

What is the rationale for the proposed change(s)?

Correct an error.

What are the programmatic implications of the proposed change(s)?

(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?

Most students take this as an elective. For majors that utilize this course, it will be available to students in those programs on the Mansfield campus.

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No
