**Term Information**

Effective Term: Autumn 2012  
Previous Value: Summer 2012

**Course Change Information**

What change is being proposed? (If more than one, what changes are being proposed?)

Changing the course number of 1570 to 2570

What is the rationale for the proposed change(s)?

The content of course, “Team and Organizational Leadership,” is intermediate level. While first-year students are permitted to take this course, it is typically sophomores and juniors who have begun to explore leadership at Ohio State outside of the classroom who are interested in learning more about the theory and skills necessary to be an effective leader.

What are the programmatic implications of the proposed change(s)?

(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?

Listing this course as 2570 will allow it to count towards the Undergraduate Leadership Studies minor. Previously, under the quarter system, this course did count towards the Leadership Studies minor, but in the transition to semesters, the course number was changed to 1570 which does not allow students to apply it to the minor.

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No
