Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)
Change minimum hours from 3 to 1.

What is the rationale for the proposed change(s)?
There are students who only need 1 or 2 hours to get to their adjusted required number of hours and with summer’s registration limited to 8 hours, students taking 2 classes who also want to do the research apprenticeship hours all would have to petition the Grad School to register for 3 hours (which would be a total of 9). This will be an issue every summer.

What are the programmatic implications of the proposed change(s)?
(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?
None

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No
