Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)

Removal of a course pre-requisite for taking Roots of Fantasy. The pre-req to remove is EDUTL 7317 Advanced Children's Literature.

What is the rationale for the proposed change(s)?

Error in the course conversion process to semesters. EDUTL 7362 should have no course pre-req and be open to all graduate students, which Barbara Kiefer re-confirmed on 10/24/12 to Jessica Mercerhill and Steven Wisnor via email.

What are the programmatic implications of the proposed change(s)?

(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?

Graduate students will now be able to take this course without incorrect pre-requisites restricting them from doing so.

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No
