Term Information

Effective Term Summer 2013
Previous Value Summer 2012

Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)
1. Add 7-week option to Length of Course possibilities
2. Allow the option of "Distance Learning"
3. Add "Off-Campus" as a possible option
4. Add "professional" as an intended rank

What is the rationale for the proposed change(s)?
1. To allow T&L the possibility of offering 6630 during the 7-week summer term
2. To allow T&L the opportunity to increase its online offerings, particularly in its endorsements
3. To allow EHE Outreach and Engagement to offer 6630 to Columbus City Schools teachers at a CCS location
4. To signify that 6630 can be taken by graduate non-degree students (i.e., endorsement candidates)

What are the programmatic implications of the proposed change(s)?
(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?
1. Offering 6630 in the summer provides more possibilities for TESOL Endorsement candidates to complete required coursework.
2. Offering 6630 online allows T&L to reach current Endorsement candidates outside of Franklin County in a more effective way
3. Endorsement courses arranged by O&E and CCS are typically held in CCS buildings.
4. Grad non-degree students will be clearly eligible for enrolling in 6630

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No
