Term Information

Effective Term

Summer 2013

Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)

remove prerequisite course (KNHES 5651)

What is the rationale for the proposed change(s)?

This course was not determined as critical as the other prerequisites for success in the course and is not required as a course for students who take this course as a service course. The course change was requested by faculty when reviewing program sheets after semester conversion.

What are the programmatic implications of the proposed change(s)?

(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?

none

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No

Level/Career
Graduate, Undergraduate

Course Number/Catalog
5704

Course Title
Health Program Evaluation

Transcript Abbreviation
Health Prog Eval

Course Description
Methods for evaluating health behavior interventions. Skills to conduct process, impact and outcome evaluations including data analysis will be developed. The political, educational and theoretical aspects of evaluation practices are covered.

Semester Credit Hours/Units
Fixed: 3

Offering Information

Length Of Course
14 Week

Flexibly Scheduled Course
Never

Does any section of this course have a distance education component? No

Grading Basis
Letter Grade

Repeatable
No

Course Components
Independent Study, Lecture

Grade Roster Component
Lecture

Credit Available by Exam
No

Admission Condition Course
No

Off Campus
Never

Campus of Offering
Columbus
Prerequisites and Exclusions

**Prerequisites/Corequisites**

Prereg: Sr standing, and 5652, or EduPAES 5652 (652); or graduate standing.

*Previous Value*

Prereg: Sr standing, and 5651 and 5652, or EduPAES 5651 (651) and 5652 (652).

**Exclusions**

Not open to students with credit for EduPAES 704.

Quarters to Semesters

Semester equivalent of a quarter course sequence (e.g., a 3-quarter sequence becomes a 2-semester sequence, a 2-quarter sequence becomes a 2-semester sequence, a 2-quarter sequence becomes a 1-semester course)

**List the current and proposed sequences by number and title**

EduPaes 704: Eval in Health Ed.

Additional topics have been added: measurement of health outcomes, cost benefit analysis, budgeting for evaluation and data analysis. Added assignments include: evaluation budget, coding and analysis of eval data.

Requirement/Elective Designation

Required for this unit's degrees, majors, and/or minors

The course is an elective (for this or other units) or is a service course for other units

Course Details

Course goals or learning objectives/outcomes

- Analyze political influence on the design and interpretation of health program evaluations
- Integrate evaluation planning with health program planning and implementation processes
- Design and implement process, impact and outcome evaluations
- Implement processes of continuous program refinement grounded in evaluation results
- Choose the appropriate evaluation design for a specific health education program
- Identify factors affecting the internal and external validity of an evaluation design
- Describe factors which affect the validity and reliability of measurement instruments
- Identify and/or develop mechanisms to assess educational methods and processes
- Provide consultation for identifying indicators of program success
- Choose and/or develop appropriate data collection instruments
- Collect data, code and manage data sets
- Present evaluation results using descriptive statistics
