Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)
Please add the Newark campus as a campus of offering effective SP 14.

What is the rationale for the proposed change(s)?
Newark campus now has OBR approval to offer the Master of Arts in Educational Studies focusing on Educational Administration.

What are the programmatic implications of the proposed change(s)?
(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?
We have worked closely with Educational Studies on this program and believe it will address local need for additional public school administrators.

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No

Andy,

The request to offer the Educational Administration specialization of the MA in Educational Policy and Leadership at the Newark campus was considered and approved at the RACGS meeting held on January 25th, 2013. It has now been approved.

Dear Dr. Herness,

I am writing to ask if you can provide an update on the status of the proposal to offer the Educational Administration specialization of the MA in Educational Policy and Leadership at the Newark campus? This specialization includes principal licensure. For your reference, I’ve attached emails with the proposal documents. Is there information about the stage of approval or an update that you could share with us?

Thanks,

Andy Zircher, M.A.
