The request to offer the Educational Administration specialization of the MA in Educational Policy and Leadership at the Newark campus was considered and approved at the RACGS meeting held on January 25th, 2013. It has now been approved.

--Scott

Dear Dr. Herness,

I am writing to ask if you can provide an update on the status of the proposal to offer the Educational Administration specialization of the MA in Educational Policy and Leadership at the Newark campus? This specialization includes principal licensure. For your reference, I’ve attached emails with the proposal documents. Is there information about the stage of approval or an update that you could share with us?

Thanks,
