Term Information

Effective Term: Autumn 2013
Previous Value: Summer 2012

Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)
Request changing the course number from 8806 to 7806

What is the rationale for the proposed change(s)?
The course is designed for both master's and doctoral level students. Changing the number to a 7000 number enables these students to register for the course. The number was supposed to be changed during the Q2S process but never was changed in the system.

What are the programmatic implications of the proposed change(s)?
(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?
A 7000 level number indicates the course is designed for both master and doctoral level students.

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No
