To Whom It May Concern,

Attached is the course change request for KNSFHP 1139.07 Introductory Program for Outdoor Pursuits: Experimental Sections. Due to the large number of potential subjects within the Sport, Fitness and Health Program and the nature of an experimental section it is not realistic to provide a single syllabus that would be accurate and appropriate for all possible situations. The provided sample syllabus is an example of one such use of a KNSFHP 1139.07.

Please contact me if you have any questions.

Text & Materials  
Logbook: Diver's Log and Training Record, 1999. Padi or equivalent.  
Lab equipment: watch (water resistant to 50m), wrist slate & pencil  

Course Description  
KNSFHP 1139.07 can be different for each student involved. It consists of the continuing educational system of specialty courses involved in Scuba diving. Available courses include, Ice diving, AOW, Night diving, DPV diving, Deep diving, Nitrox diving, Drift diving, Search & Recovery diving, Drysuit diving, Wreck diving, Cavern diving and Technical diving for those who qualify.  

Relationship to Other Courses  
Prerequisite for this course: certification as an Open Water Diver. Some specialty areas require certification as an Advanced Open Water Diver.  

Course Objectives:  
By the end of the semester, you will have had the opportunity to:  
Experience a specialty area of Scuba Diving.  

Course Content  
The course consists of Open Water dives for the specialty area you select. You will only receive credit for completing the first dive of a specialty course. Completion of certification is NOT required to receive credit for the course.
Off Campus Field Experience
This course is taught entirely off campus. The costs are $75 per dive plus trip expenses, certification fee, and charter boat fees when they apply. The total cost of the class is determined by the number of dives for the certification (i.e. AOW = 5, Night = 3, DPV = 2, etc.). Courses range from $75 to $375, depending on how many dives are required and attempted by the student.

TENTATIVE Topical Outline

Week 1  No class meeting – the first assignment is to email the instructor your certification agency and number (i.e. PADI 28898) and an index of your logbook (i.e. how many dives, what type, how deep, and the date of your latest dive).

Week 2  8:00pm meeting at 646 Noe Bixby Rd on Wednesday night
OSU forms will be filled out and the schedule will be determined for the rest of the semester.

Week ?  8:00pm meeting at 646 Noe Bixby RD on Wednesday night
8:00am meeting at 646 Noe Bixby RD on Saturday (dives may last all day)
8:00am meeting at 646 Noe Bixby RD on Sunday (dives may last all day)

**No class or exam will be held for this course during final exam week.

Physicals
You must have a current PADI and/or SDI medical statement signed and on file prior to your participation in the dives.

Course Requirements/Evaluation
Skills  35  Dive Trip
Knowledge 30  Dive reflection paper and quiz
Participation 35  Attendance and involvement in all assigned drills

Total Possible Points  100 points

Grading Scale
This course is graded Satisfactory/Unsatisfactory (S/U). Complete classroom, trip attendance, & participation are mandatory! Failure to attend all required classes will result in a grade of Unsatisfactory. A score of 80% or better is necessary to receive a Satisfactory (S) grade.
**Attendance Policy**
Since this is an arranged class and the student determines what days to meet, attendance is mandatory for the days selected. If a student is ill he/she may select another date if one is available, if no dates are available then he/she will receive an incomplete for the course.

**Excused Absences**
An excused absence means that the student will be given an opportunity to make up work that he or she missed. There are four situations, which constitute an "excused absence" from the class meeting time. They are:
1) Students who participate in a documented University sanctioned event
2) Students who have a documented death in the family
3) Students who are observing a religious holiday
4) Students who are too ill or injured to participate in class

In accordance with Faculty Rule 3335-7-15, students who will be participating in University sanctioned events must provide the instructor with a copy of the scheduled events and those classes of which will be missed. This documentation must be on University letterhead, signed by the coach/supervisor, and given to the instructor within the first two weeks of the semester. Students who have missed class due to a death in the family must provide documentation of the death (death certificate, obituary, etc.). Students who will be observing a religious holiday must provide date/event written notification to the instructor within the first two weeks of the semester. Students who are too ill or injured to participate in class must provide written documentation from a physician stating that the student cannot participate in class. Any excused absences must be made up within two weeks of the absence and the student must submit an official “SFHP Course Make Up Form.” Failure to complete an “SFHP Course Make Up Form” and the necessary activity within two weeks will result in that absence becoming an unexcused absence. The make-up form is available from the instructor. There will be no make-up of unexcused absences.

Students with extenuating circumstances that are in conflict with these set policies are encouraged to contact the instructor during office hours or by appointment.

**Dress Code**
An appropriate swimsuit is required to be worn each class. A one-piece suit for women is recommended. Do not bring and/or wear jewelry (rings, bracelets, earrings, anklets, etc.) in class.

**Equipment Policy**
The $75/dive fee covers all Scuba equipment (including specialty equipment). You will need to provide a watch, wrist slate, and pencil. If you have your own equipment, you
are welcome to use it. You must provide your own meals and transportation to the dive sites. Most students car pool to the dive sites.

**Risk Potential**
As you are considering enrolling in any University Sport, Fitness, and Health Program class, the University would like you to be aware that participation in any physical activity involves minor/serious risks to your body. Prior to participation students will be asked to read and sign a statement that you (or parent/guardian if under 18) are aware of these risks and consent to medical treatment in the event that you are injured. For certain classes that are potentially dangerous, vigorous, and/or involve elements of risk, students will be asked to sign a statement releasing the University and its instructors from liability in the event students are injured as a result of participation.

**PAR-Q**
Because of the potential risk associated with certain activities, all students enrolled in this course are required to complete the Physical Activity Readiness Questionnaire (PAR-Q). The student’s PAR-Q must be completed and prior to their participating in any class activity. Furthermore, if any question on the PAR-Q is answered with a ‘Yes’, the student must provide additional documentation from a physician, which gives the student permission to participate in the class.

**Academic Misconduct**
The Ohio State University’s *Code of Student Conduct* (Section 3335-23-04) defines academic misconduct as: “Any activity that tends to compromise the academic integrity of the University, or subvert the educational process.” Examples of academic misconduct include (but are not limited to) plagiarism, collusion (unauthorized collaboration), copying the work of another student, and possession of unauthorized materials during an examination. Ignorance of the University’s *Code of Student Conduct* is never considered an “excuse” for academic misconduct.

If I suspect that a student has committed academic misconduct in this course, I am obligated by University Rules to report my suspicions to the Committee on Academic Misconduct. If COAM determines that you have violated the University’s *Code of Student Conduct* (i.e., committed academic misconduct), the sanctions for the misconduct could include a failing grade in this course and suspension or dismissal from the University. For additional information, see the Code of Student Conduct). [http://studentaffairs.osu.edu/resource_csc.asp](http://studentaffairs.osu.edu/resource_csc.asp)

**ODS Statement**
Any student who feels s/he may need an accommodation based on the impact of a disability should contact one of the instructors privately to discuss specific needs. The Office of Disability Services is relied upon for assistance in verifying the need for accommodations and developing accommodation strategies. Please contact the Office for Disability Services at 614-292-3307 (V) or 614-292-0901 (TDD) in room 150 Pomerene Hall to coordinate reasonable accommodations; [http://www.ods.ohio-](http://www.ods.ohio-).
Please make sure that students know they will be expected to follow Americans with Disabilities Act Guidelines for access to technology.

**Statement on Diversity**

The College of Education and Human Ecology affirms the importance and value of diversity in the student body. Our programs and curricula reflect our multicultural society and global economy and seek to provide opportunities for students to learn more about persons who are different from them. Discrimination against any individual based upon protected status, which is defined as age, color, disability, gender identity or expression, national origin, race, religion, sex, sexual orientation, or veteran status, is prohibited.

The Department of Human Sciences is committed to maintaining a community that recognizes and values the inherent worth and dignity of every person; fosters sensitivity, understanding, and mutual respect among its members; and encourages each individual to strive to reach his or her own potential. In pursuit of its goal of academic excellence, the Department seeks to develop and nurture diversity, believing that it strengthens the organization, stimulates creativity, promotes the exchange of ideas, and enriches campus life. The Department prohibits discrimination against any member of the department's community on the basis of race, religion, color, sex, age, national origin or ancestry, marital status, parental status, gender identity, sexual orientation, ability status, health status, or veteran status.

**Grievances and Solving Problems**

According to University Policies, available from the Division of Student Affairs, if you have a problem with this class, “You should seek to resolve a grievance concerning a grade or academic practice by speaking first with the instructor or professor. Then, if necessary, with the department chairperson, college dean, and provost, in that order. Specific procedures are outlined in Faculty Rule 3335-7-23, which is available from the Office of Student Life, 208 Ohio Union.” “Grievances against graduate, research, and teaching assistants should be submitted first to the supervising instructor, then to the chairperson of the assistant’s department.”

**Technology**

The use of Carmen is employed in this course for receiving the syllabus, online lessons, assignment distribution and submission, quizzes and exams, and communication (via Carmen email). Web Address: www.carmen.osu.edu You will need an OSU username and password to access the site. Your password for Carmen will be the same password that you use for email, etc.
