Comments

• 2204 is required for transition students in Ex. Sci., Health Promotion strand and quarter and semester Sexuality Studies Minors as an option course and as an option for the new Sexuality Studies major. Will HDFS 3440 be approved as a substitute for these students? Are there other courses that would be appropriate? Will HDFS 3440 meet the CHES certification standard that 2204 did? 2204 is/was also offered at regional campuses, where 3440 is not currently. Are there options for regional students? Will 3440 be proposed to be offered at regional campuses? (by Odum, Sarah A. on 03/28/2013 10:46 AM)
